### IGNITE ION

Our new all-round safety harness for all classical applications in construction and maintenance has above all one major feature due to simplified adjustment options in the chest and leg area as well as three different sizes: exceptional fit!

Even for users who rarely wear personal protective equipment against falls from height, the IGNITE ION is extremely easy to use and self-explanatory. The buckle by Fidlock in the chest area snaps magnetically and closes almost automatically. The two orange roping-up loops made of fabric are approved for joint use and equipped with abrasion indicator for maximum safety.

User-friendly, self-explanatory, safe:

- easy to put on and adjust
- very good fit
- large roping-up loops (chest) with wear indicator

### FEATURES

Colour:

black / orange / anthracite

Fall indicator

Shoulder or leg padding: yes

Belt strap coiler: yes

Hand-washing: 40 °C

Click buckles: yes

Max. service life: 10 Years

Max. number of persons: 1

Rated load: 140 KG

Attachment Points:

dorsal attachment point, sternal attachment point

Patent

Temperature: from 45 °C to -35 °C

Area of application:

Construction / Roofer / Carpenter, Facade / Window Cleaning, High Rack, Lift Construction, Metal Construction, Power Supplies / - Transmission / Telecommunications, Scaffolding

## DIMENSIONS

|             |          |
|-------------|----------|
| Size:       | XS/M     |
| Waist size: | 70-100cm |
| Weight:     | 1,22 kg  |

## MATERIAL

|                                    |                             |
|------------------------------------|-----------------------------|
| Material:                          | Polyester, Aluminium, Steel |
| Webbing material:                  | Polyester                   |
| Sternal attachment point material: | Polyester                   |
| Dorsal attachment point material:  | Aluminium                   |
| Material Click buckle:             | Stainless Steel             |
